#### **Freeflower : 40m2 of pure comfort, exclusive to flower campsites**

Spacious, modern, fun, welcoming and, above all, original. Words just can't describe the character of the Freeflower, camping's first all-canvas holiday home. Designed in contemporary colors, it offers 37m2 of living space guaranteed to keep you in touch with nature.

#### **A dining room which opens out onto your very own terrace**

#### **Comfort and style**

Fully furnished and equipped with coffee maker, toaster, micro-wave, fridge and all the comfort of proper beds. Freeflower's charm lies in its clever combination of canvas, carefully chosen furniture and modern fixtures and fittings.

#### **Bedrooms which open back and front**

Thanks to the giant zips, the bedrooms open on two sides. What better way to enjoy your siesta than lulled by a gentle breeze... Two separate bedrooms guarantee privacy for parents and older children, while the tie-back partition means you can keep an eye on babies and toddlers.
